Invitation to Orchard Walks Shepparton VIC and Batlow NSW - 4 & 6 April 2018

To all ANABP 01 Growers, QLD, NSW, VIC & SA

Fruit West Co-operative Ltd (FWCL), the licensee to commercialise the ANABP 01 variety and the Bravo™ branded apple, an apple Like No Other™, is very pleased to announce two orchard walks to take place in Shepparton VIC and Batlow NSW in early April (see over page for details).

The events will view fruit on trees prior to pick, for ANABP 01 growers to understand the optimum picking times and the requirements of the 2018 quality specifications. It is also an opportunity for the team to introduce the specifications and some newly developed tools to support growers/pickers/packers with maturities and quality assessment.

The Orchard walks will be forum to talk through learnings from last year and the aspirations for the variety and branded apple for the upcoming season.
